

Tariff List

StrideUp Home & Buy to Let Purchase Plans:

23 May 2025 (Please note, this replaces any previous Tariff List)

Our Tariff List has been designed to help you understand the fees you may need to pay. These fees are subject to change and any changes will be communicated to you. Details of fees that are payable will be disclosed to you before we provide any services or products to you. The fees apply to both Home & Buy to Let Purchase Plans.

A similar document is used across the industry to help customers compare products. You may notice that some charges do not appear in our Tariff List. This means we don't charge you those fees. We may also charge fees that other firms do not.

The tariff is updated from time to time and a copy will be sent to you with your annual Home or BTL Purchase Plan statement.
